PRESIDENT'S MESSAGE

Wow, what a crazy month this has been. I love October because it represents change and the time of year for reflection and planning for the New Year. Jonna and I just returned from North Carolina where I had a show and we attended the Oil Painters of America Eastern Regional exhibition in Wilmington. My painting "Waters From the Light" was included in the show and I did a demo and sat on a panel with the president of OPA and the juror for the show. I am always promoting the CAC and I took every opportunity to inform the audience about the rich history and talent of our club. Thank you to our Vice President, George Hageman and board for excusing me from our last meeting. Right now ideas are swilling in my head for our club and I will be calling another brainstorming session soon. I have gathered the seed for planting and I look forward to the spring to 'plant' a new crop for their eventual harvest.

Sincerely, Tom Bluemlein
